Limit: 50 characters

In a word or few, please self-describe your gender or write "choose not to respond."

FINANCIAL & EQUITY INFORMATION

The information you provide here will help us understand your financial situation. While artists at all income levels are eligible for the program, we give priority to artists with financial need.

How many people live in your household?

Please include yourself, spouse / partner(s), children, and any other multi-generational dependents or family members. Do NOT include roommates.

Questions? See "Who counts as my household?" in our FAQ. (<https://www.assetsforartists.org/capacity-building/#faq>)

Approximately what is your current annual household income (before taxes)?

- Less than \$25,000
- \$25,000 to \$50,000
- \$50,000 to \$75,000
- \$75,000 to \$100,000
- More than \$100,000

Please include income earned by yourself and all the people included in the number above.

You will have an opportunity to expand on your current situation below.

Do you qualify as "low income?"

- Yes, I live in a 1-person household with 2023 annual income under \$45,150.
- Yes, I live in a 2-person household with 2023 annual income under \$51,600.
- Yes, I live in a 3-person household with 2023 annual income under \$58,050.
- Yes, I live in a 4-person household with 2023 annual income under \$64,500.
- Yes, I live in a 5-person household with 2023 annual income under \$62,160.
- Yes, I live in a 6+ person household with 2023 annual income under \$69,690.
- No, I am not low income. (My 2023 household income exceeds these limits.)

Please select the option that describes your household's income in 2023. (Include the income earned by everyone you counted as part of your household in the previous question.)

Your answer will tell us if you qualify as low income according to state guidelines. Because of regulations around the American Rescue Plan Act (ARPA), who is funding this grant opportunity, priority will be given to artists who qualify as low income, **however you do not need to be low income in order to receive this grant.**

Which range describes your household's approximate net assets?

- Below \$0 (more debts than assets)
- \$0 - \$50,000
- \$50,000 - \$100,000
- More than \$100,000

To approximate your household's net assets:

Combine the approx. value of all assets (bank, investment, and retirement accounts) held by members of your household (i.e. all the people included in the number above), then from that subtract the value of all debts (credit cards, student loans, medical debt, etc.) owed by household members.

To keep things simple, don't worry about including the value of your home / vehicles / furniture / jewelry.

Program Fit: Because of this program's emphasis on under-resourced artists, it is rare we accept an artist with household assets \$100,000+

What is your current housing situation

- I/my family rent where we live (either alone or with roommates)
- I/my family own a house with a mortgage
- I/my family own a house outright
- I have a different housing situation

Please select your highest level of education from the options below.

- Less than high school
- High school or equivalent
- Some college or associate's degree
- Bachelor's degree
- Master's degree
- Doctoral degree
- Other

We believe that one's educational level isn't tied to one's legitimacy as an artist, but we do recognize that education and privilege are closely intertwined.

What are some of the biggest obstacles you face when it comes to making a career as an artist (besides money)? *

Limit: 200 words

This could include (but not limited to): lack of studio/practice space, collaborators, professional network, venues, equipment, professional development, educational opportunities; limitations owing to health, a disability, caretaker status, provider status, lack of stable housing or access to basic needs, technological barriers or historic barriers experienced by certain identities.
